Title:	METHOD FOR DIAGNOSING COLORECTAL CANCERS		

Assistant Commissioner For Patents
Washington, D.C. 20231

DECLARATION OF YUSUKE NAKAMURA

I declare:

1. I am a co-inventor, along with Yoichi Furukawa, of the subject matter described and claimed in the above-referenced patent application.

2. I am a co-author on the Sakai *et al.* (The proceedings of the Sixty-Second Annual Meeting of the Japanese Cancer Association: 285, 2003) publication. Any description of the invention described and claimed in the above-referenced patent application or in any continuation or divisional application thereof in this publication was the joint contribution of the present inventors alone, notwithstanding the inclusion of the additional authors, namely Michihiro Sakai, Takashi Shimokawa and Yoshitsugu Yamada, who were merely working under the direction of the present inventors providing technical assistance. These additional authors did not contribute to the conception and/or reduction to practice of the

invention disclosed and claimed in the above-referenced application or in any continuation or divisional application thereof.

3. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.
